PROFESSIONAL SUMMARY

Detail-oriented Computer Engineering graduate with hands-on experience in hardware-software integration, IoT systems, and full-stack web development. Proficient in Python, C/C++, and embedded systems using ESP32 microcontrollers. Experienced in data visualization using Pandas, Matplotlib, and Dash. Holds CISCO CCNA networking course certification and DataCamp credentials in Python and data dashboarding. Eager to contribute to innovative engineering or software development teams.

TECHNICAL SKILLS

AI Tools: ChatGPT, Gemini, Claude, Canva AI, Grammarly, Figma Make

Productivity: MS Office (Word, Excel, PowerPoint), Google Workspace (Docs, Sheets, Slides, Drive)

Programming Languages: Python, C/C++, JavaScript, HTML, CSS

Hardware & Embedded Systems: ESP32 Microcontrollers, Sensor Integration, Bluetooth Communication

Data & Visualization: Pandas, NumPy, Matplotlib, Seaborn, Dash, Chart.js

Design & Tools: Canva, Figma, UI/UX Prototyping, System Design Specifications (SDS)

Networking & Systems: Basic System Administration, CISCO CCNA (Intro to Networks)

EDUCATION

Bachelor of Science in Computer Engineering

2022–2026

Polytechnic University of the Philippines | Sta. Mesa, Manila

Relevant Coursework: Computer Applications, System Administration, Technical Writing, Data Analysis

RELEVANT EXPERIENCE

UI/UX Designer (Internship)

July 2025 - September 2025

Department of Science and Technology (DOST) - Project LODI

- Designed user interfaces and interactive prototypes for a government-funded tech project using Figma
- Collaborated with cross-functional teams to define UX requirements and system specifications
- Created wireframes, user flows, and design documentation aligned with SDS standards

Training Assistant (Internship)

July 2024 - September 2024

Nexus IT Training Center

- Provided technical and administrative support to IT training operations
- Assisted in managing learning materials and coordinating training sessions

CERTIFICATIONS

- St. Therese School of Technology & Booknet Training Services: Computer Literacy Program - 2017
- DataCamp: Introduction to Python - 2024
- Nexus Cloud IT Solutions: Windows Server Administration 2019 - 2024
- DataCamp: Big Data Fundamentals with PySpark - 2024
- DataCamp: Building Dashboards with Dash and Plotly - 2025
- CISCO CCNA: Introduction to Networks - 2025
- Huawei ICT Academy: HCCD-GaussDB Course - 2025

LANGUAGES

English: Proficient
